

# "25 minutes of English"

## Lesson 8.

### Topic: "Entertainment".

Date: 08.06.16

**L** Task 19a. You will listen to several people telling about movie genres they like and hate. Before you listen, talk with a partner.

1. What is your favourite movie and movie genre?
2. What is your favourite actor/actress?
3. Do you prefer to watch movies on TV or in the cinema?

**Task 19b. Match the movie genres with their definitions.**

- |                    |   |
|--------------------|---|
| 1. action          | a) deals with catastrophes, such as earthquakes, large fires, plane crashes |
| 2. comedy          | b) romance is the key element   |
| 3. drama           | c) displays battlefields, armed conflicts                                   |
| 4. disaster        | d) depicts physical force or violence                                       |
| 5. fantasy         | e) makes the audience laugh   |
| 6. horror          | f) set in the future, often with space travel, robots, etc.                 |
| 7. love story      | g) characters or situations could not exist in real life, often with magic  |
| 8. science fiction | h) tension and suspense are central features of the plot                    |
| 9. thriller        | i) the focus is on human relationships rather than action                   |
| 10. war            | j) the main aim is to terrify the audience                                  |

**Task 19c. Listen to people describing their favourite movie genres. Write down the genre that each speaker likes and dislikes/hates.**
