Date: 21.10.16

R Task 14. Read the text about Jeremy Taylor's career and fill in the table below with information about him.

I'm CSM (Company Sergeant Major) Taylor. When I joined the army in 2007, I first did my 12-week basic training, then specialized infantry training, and adventure training in Ohio. After this, I joined my battalion in the Devonshire Regiment. Shortly after that, our battalion participated in an exercise in Austria. Coming back from that exercise I was assigned on a promotional course from Private soldier to Lance Corporal. Then our battalion was posted to Northern Ireland for a 1-year tour of duty. For the years, I completed a number of courses to be promoted to Company Sergeant Major. I also completed many specialist training courses before going on various operational tours of duty and exercises.
