How to Succeed in a military Career

The military can be a challenging but rewarding career. In this article, I will explain how an enlisted member can make the most of his or her military service.

Things you'll need: commitment and drive, physical and mental fitness, ambition.

Give 100% starting with basic training. Physical fitness should be your highest priority _____ (1). Remember, a history of leadership will position you for future leadership positions within the Military.

Talk to your supervisor to learn what he or she values. If he values team work, join the softball or volleyball team. If he values hard work, _____ (2).

Care for your appearance. A sharply ironed uniform, clean boots and well groomed hair will help you stand out. If you care for your appearance, _____ (3).

_____ (4) how you can ensure top marks during rating session. Don't be afraid to express your desire to do a good job.

Always do your best. If your supervisor sees you are giving it everything you have, _____ (5), you will be rated higher.
