

Task 6. See Task 7

Task 12b.

Something I like shopping for? I like shopping for everything. I like shopping for clothes. I like shopping for food. I like shopping for presents. Everything. Maybe the one exception would be shopping for DIY things: things like pliers and gardening tools and wallpaper. I'm not really interested in things like that but that's the exception. Other than that, everything.

What do I like shopping for? I like shopping for food, going to the supermarket looking at -- especially a nice good supermarket and looking at all the weird and cool and wacky food. That's pretty fun. What

I don't like shopping for is everything else. I'm not really a big shopping fan. I like to buy as quickly as possible and get out as quickly as possible and that's it.

I don't really enjoy shopping at all but I guess if I have to go shopping, the one type of shopping I enjoy is bread shopping. I really enjoy looking for really good bread and smelling the bread in the bread shop, but usually I don't, I'm not a big fan of shopping anyway.

I enjoy shopping for food because I like eating and I do not enjoy shopping for cosmetic stuff like for example shampoo -- girls' stuff. I do not like shopping with girls because they tend to take long and look at every item at least ten seconds but I enjoy shopping for food for myself.

The thing I most enjoy shopping for is shoes. I could shop and shop and never get tired of them. The last time I visited Ireland. I bought five pairs of shoes in three days. I just love them.

I like shopping for clothing. It's a lot of fun finding new shirts or new jeans to put on, trying out new outfits that I normally wouldn't wear. The only thing I dislike about it are the prices of course, but I really have a good time going out and looking for things -- that hunter-gatherer instinct in me.

Task 16a, b.

Todd: OK, Norm, we're going to talk about colors.

Norm: Mm-hm.

Todd: OK. What is blue?

Norm: Well, the sky is blue.

Todd: OK. And what is green?

Norm: Green? My green canoe.

Todd: Your green canoe.

Norm: Yes!

Todd: Really! OK. That's cool! What is red?

Norm: A red apple.

Todd: Yeah. What is orange?

Norm: An orange sky.

Todd: An orange sky! That's nice.

Norm: Early morning sky.

Todd: Wow, that's really nice. What is black?

Norm: Black? Black forest for example, you go and the...uh...undergrowth.

Todd: OK. Black forest. What is brown?

Norm: Brown earth. Brown pathway in the wilderness.

Todd: Ooh, that's good. That's a really good one. OK. Last one. What is white?

Norm: Snow.

Todd: Snow.

Norm: White snow.

Todd: White snow. Do you like the snow?

Norm: Very much so.
