G Order of Adjectives

When you use more than one adjective before a noun, you have to put them in the right order according to type. There are two types of adjectives:

- **Opinion** *beautiful, great, expensive, etc.* describe what we think of someone or something.
- **Fact** *short, red, glass, etc.* describe what someone or something really is.

Opinion adjectives go before fact adjectives.

He usually wears a nice black suit.

Fact Adjectives

Size: small, big, short, long, etc.
