# COMMAND & CONTROL

**Career Paths: Command & Control** is a new educational resource for people who are or wish to become military professionals. Incorporating career-specific vocabulary and contexts related to the armed forces, each unit offers step-by-step instruction that immerses learners in the four key language components: reading, speaking, and writing.

The series is organized into three levels of difficulty and offers over 400 vocabulary terms and phrases. Every unit includes a test of reading comprehension, vocabulary, and listening skills, and leads students through written and oral production.

**Included Features:**

- A variety of realistic reading passages
- Career-specific dialogues
- 45 reading and listening comprehension checks
- Over 400 vocabulary terms and phrases
- Guided speaking and writing exercises
- Complete glossary of terms and phrases

The **Teacher's Book** contains a full answer key and audio scripts.

The **Teacher's Guide** contains detailed lesson plans, a full answer key and audio scripts.

The **audio CDs** contain all recorded material.
