

ARTICLE AND PERSONAL DATA PUBLICATION AGREEMENT

(author's name(s))

who is author (coauthors) _____

(title of the publication)

confirm that given scientific article:

- is an independent and original work;
- has not been sent to other editors and has not been published in other editions before;
- does not violate the intellectual property rights of other persons and does not contain fragments borrowed from the other persons' materials without specifying the source of the loan;
- does not contain information which is prohibited for general publication in accordance with the current legislation of Ukraine, it does not use classified materials and its publication will not lead to the disclosure of secret (confidential) information (including state, service, trade secrets);
- approved for publication by all co-authors and the institution where the research was completed.

agree to transfer author's rights for referenced scientific article and personal data publication to the publication's editor - Ivan Kozhedub Kharkiv National Air Force University, to:

- publication in the original language, distribution, duplication, replication or reproduction and extension in any other way;
- public declaration, including placing in whole or in part on the Internet on the publication's webpage and other information resources;
- editing, adjusting and adapting without changing the substance of the content;
- using metadata (title of article, surname, first name and patronymic and affiliation of authors, annotations) by disseminating and bringing to the public knowledge, processing and systematization, as well as inclusion in the abstract databases and scientometric systems specified on the website of the publication.

The author retains all copyright and publishing rights without limitation. The publication allows users to: read, download, copy, distribute, print, search or refer to full text articles. It is allowed to reuse the log contents according to the Creative Commons SS-BY license.
